Fellow Republicans,

It's my honor to invite you to my hometown of Las Vegas for the 2017 NRCC Fall Meeting and Officer Elections September 8 -9, 2017.

Almost six and a half years ago we began this journey together and I've been so fortunate to have had a dedicated executive board and a capable central committee to work with. We've done so much together and it is my mission to continue our accomplishments in 2018 and 2020!

Our relationship with the Republican National Committee has never been stronger, and as one of the earliest supporters of President Trump, we have support from the White House as well. Our national leadership understands how critical winning Nevada is, and we're committed to working together to make that happen.

Actions speak louder than words, and we have action already in Nevada! We're the earliest state in the country to staff up for the 2018 election. We have full time staff on the ground dedicated to voter identification and registration, as well as to provide training to our grassroots volunteers statewide. We have a voter registration deficit to overcome, and with your help I know we can do it!

The Executive board, state staff and other volunteers recently travelled the state, visiting all seventeen counties to talk to you about our plans for victory in 2018. We're gearing up to train each and every member of our party to give each of you the knowledge and tools we need to communicate our Republican message, close the registration gap, and turn out voters to support our candidates. We've held several successful training sessions around the state already, and we're just getting started. We'll be spending time on training at our fall meeting, and we're looking forward to seeing each of you there!

Attached is all the information that you need for the meeting, including times and locations, info on nominations, lodging info, etc. If you have any other questions, please contact us at info@nevadagop.org.

God Bless,

Michael J. McDonald
