Whereas, Article I, Section 8 of the United States Constitution specifically enumerates the limited powers delegated to the federal government; and

Whereas, It has become routine for the federal government to ignore its constitutional chains, propagating an ever-increasing number of abusive, wasteful agencies corrosive to personal Liberty, which wield excessive control over our prosperity, public lands, rights, families, and lives; now, therefore, be it

Whereas, Senate Joint Resolution 14 (SJR 14) of the 2017 Nevada Legislature will remove current caps on the rate of property tax increase; and
