

The Nevada Republican Party Presents...

A Day at the Legislature

Friday, April 26th, 2019

*Do you ever wonder what it's like
to sit on the floor of the Senate or Assembly during session?*

This is your opportunity to meet and sit with your Senator or Assemblyman/woman. The Senate floor session begins at 11:00 a.m., and the Assembly floor session begins at 11:30 a.m. This is first-come-first-served seating and space is limited, so [make your reservation](#) early.

You will be seated with your district's Senator or Assemblyman if possible. If they have already been assigned, we will try to seat you with another representative, until all seats are taken.

Floor sessions are not confirmed until the prior day, and afternoon committee meetings are often not held on Fridays. Please check our [website](#) for any last-minute changes. In the event there is not a floor session, we have arranged a meeting in room 1214 with our representatives, to meet and greet and answer questions about some of the bills.

There will be a guided tour of the Legislative Building at 10:00 a.m.

You are also invited to attend any of the following committee hearings:
