

National Delegates for Congressional District 4

Leo Blundo

Vote for Leo Blundo, an Original Trumper, to the RNC in 2020 for President TRUMP! I knocked hundreds of doors to get him elected in 2016. As the Nye County Commissioner, we passed a resolution I brought forward in Nye County acknowledging, supporting and endorsing President Trump's policies for the American people. I serve the people as a Commissioner, and will be proud to get President Trump re-elected for 4 more years! Thank you for your vote and sending me to the Republican National Convention 2020!

It would be my honor to represent Nevada and rural Nevada and cast my vote to have our amazing President to be the nominee and send him on to victory.

Gregory's efforts have earned him state recognition for being a top conservative lawmaker by the American Conservative Union Foundation. Gregory is also honored to have been named the Rural Nevada Chair for the Trump campaign and will work hard to ensure we have another four more years of President Trump. During

the 80th Session of the Nevada Legislation, Gregory served on the Assembly Committees on Government Affairs, Health and Human Services, and Taxation.

*Jim Marchant *** DJT Slate Member ****

Jim Marchant has lived in Nevada since 2005. While he has been a businessman all his life, he was tired of the government getting in the way of his success. Jim decided to take matters in his own hands, he ran and defeated a tax-raising moderate/liberal Republican in the Nevada Assembly District 37 in 2016. While in the Nevada Assembly, he fought against the Establishment in both parties for lower taxes, less burdensome regulations, gun rights, and a more transparent government. Marchant plans on bringing his conservative credentials and business savvy to Congress in 2020. Jim is running for Congress for Nevada's Congressional District 4 seat.

Trump. I am a limited government, free-market conservative and believe in the strength of the Founders' vision and in the Constitution. I am one of the first Tea Party organizers in Las Vegas. I have been a member of the Clark County Central Committee since 2009 and have served as Trustee since then. I have served in other capacities such as platform co-chair and assistant site manager in the 2016 caucus. I have also been a member of the Nevada Republican Central Committee since 2011. I am thrilled with

President Trump and the work he has done for America and its people! President Trump has been the best president in recent history to understand the importance of government getting out of the way of Americans' path to success! I would be honored to represent our state at the national level to usher in another 4 years of President Trump's hard work, patriotism, and his zeal to KEEP AMERICA GREAT!
