I am a devoted Constitutional conservative dedicated to promoting our fundamental rights of life, liberty, and property. Before my current work as a business and government affairs attorney, I worked with various political organizations, campaigns, and in the federal government. I am a current federal appointee tasked with investigating and recommending civil rights policies for Nevada. Most of all, I am husband, a son, a brother, and a native Nevadan who supports our party and the reelection of our President.

Natalie Tyree \*\*\* DJT Slate Member \*\*\*

Natalie Tyree has been a long-standing member of the Nevada Republican Party since moving here over 10 years ago. She has worked during that time for numerous Republican candidates, most recently assisting President Trump's 2016 campaign. After attending the last two RNC conventions as a guest, she's looking forward to the opportunity to Support President Trump again at the 2020 RNC as a delegate.

Bruce Woodbury \*\*\* DJT Slate Member \*\*\*

I strongly support President Trump and campaigned for him in 2016. As the longest-serving county commissioner in Nevada history, I upheld Republican values on a commission dominated by Democrats. It has been my honor to be a delegate or alternate to 6 Republican national conventions as well as a Republican Elector once. Our citizens have seen fit to name the 215 Beltway, a post office and streets in Laughlin and other rural towns for me. Once again, I would love to serve the Republican cause and fight to uphold individual liberty and free enterprise as a delegate to the 2020 national convention. Thank you.
