This election is the most crucial of my lifetime. We have to re-elect our President and more Republicans to assist him in taking back our country. I am a lifelong Republican working every election no matter what state I have lived in and believe in our Party. Currently I hold the Clark County EBoard position of Community Relations director which is an honor and a privilege and my goal is to unite our communities, build our party and elect Republicans. My dream for this state is to see all counties united and our state being a RED state and will work to the best of my abilities to help achieve this dream. ### Theresa DeGraffenreid

As a longtime supporter of Donald Trump, I've seen how hard the President has worked to keep Americans first, keep America moving forward and bring jobs back to American workers. I've always been a fighter for the rights of the unborn and have championed them since I was in middle school standing on the corner with my mother against abortion. Donald J. Trump is the first President that has actively supported this issue since Roe v. Wade was tragically voted on at the Supreme Court. For this and many other reasons I want to rise and have my voice counted for President Trump. My Republican activism includes: Precinct Captain - Douglas Precinct 18 since 2008, Timekeeper - NVGOP meetings since 2009, Timekeeper – State and County GOP Conventions since 2009, Member - NVGOP Credentials Committee since 2010, Assistant to Delegation Aide - 2012 National Convention, Tampa, FL, Member - State Central Committee 2012 - 2018, Co-Chair for Sponsorships and Silent Auction - Nevada GOP Convention 2014, Unpaid Lobbyist - Nevada Legislature 2015, 2017 and 2019, Co-Chair - NVGOP Boots and Rhinestone Gala 2016, Alternate Delegate - 2016 National Convention, Cleveland, OH, Chairperson - Douglas Lincoln Day Dinner 2018, 2019 and 2020, Red Dialer trained volunteer Trump 2020. I've always been a worker bee helping wherever I can to keep things moving forward for the Nevada GOP and

keeping America's eyes on the prize to get Donald J. Trump re-elected. I ask for your vote, and pledge that I'll represent Nevada's support for our President well!

While living in Ca; I protested for our rights to be heard and went out to help particular GOP candidates and our soon to be POTUS to get elected. That night when President Donald Trump won the election it was a natural high to see a “bad wolf” being caught and brought down to size (meaning the Democrat Party). I moved to Mesquite, NV. in 2018. I got involved with the local Republican organization. A CCRP member and on the 2019-2020 Platform Committee. Edmund Levy

It is no secret that there is much at stake in the upcoming election: our earnings, our future prosperity, indeed, our very freedoms are all at risk. To protect these precious rights, our new campaign priorities must include countering the false narratives that the left constantly broadcasts, and informing Americans of the true nature of our Republican policies. For too long, the radical left has had free rein to make claims about the value of their offerings, without acknowledging the costs associated with them. They have also been free to mischaracterize Republican efforts to protect us from ever-growing encroachment by big government into our lives. We have unnecessarily lost much ground, as well as many key offices, because of our inattention to the mischaracterizations of the Republican platforms and actions promoted by the Democratic party. From now on, we must focus far greater attention on countering the falsehoods, and promoting the true value of our work in protecting our fellow Americans from the constant and increasing erosion of the Constitution and the freedoms it guarantees us. We must also continue to inform the electorate that there truly is no free lunch, and that the cost of government favors almost always exceeds their value. I intend to devote myself fully to these efforts.

Sue Lowden

I have diligently worked to elect Republican Candidates. I am the founder and President of the 'Nevada Conservative PAC'....giving thousands of dollars to candidates who represent conservative Republican ideals. We've raised tens of thousands of dollars to elect Republican Women. I have opened our Las Vegas businesses to hold rallies & raise money for President Trump and many other candidates. I am the former Chairman of the Nevada Republican Party and the Chairman who brought the 1st in the West Caucus to Nevada. I've been a precinct captain and caucus site director. I've received numerous awards from Republican organizations such as the Ronald Reagan Lifetime Achievement Award from Citizens Outreach and the Republican of the Year from the State and County Parties. The Republican Women of Henderson and Pahrump presented me a Lifetime Achievement Award. I've been the official spokesperson for the state party and for various national

and local campaigns. I am a former Nevada State Senator and Majority Whip of the Nevada Senate. I am the Founder of the Laughlin Republican Women's Club and I've been a Board Member of the Republican Women's Federation. I am a strong believer in the 2nd Amendment and have a concealed carry license. I am a wife, mother and grandmother. I would be honored to be selected as a Trump delegate to the National Convention.

Bonnie McDaniel

David McGowan

I have been a party activist here in Nevada going back to 2004. Having worked with every presidential campaign during that time period and have had the privilege of attending 3 national conventions.

Lorrie Olsen

My political career began the same day that Donald Trump's began. He descended the golden escalator and I jumped on the Trump Train! I attended "Trump Training" and caucused for the first time ever. My precinct chose TRUMP! I located and joined the Lyon County Central Committee and have been very active in fund-raising and voter registration events. I currently chair their Finance Committee. I served as President in 2018 and 2019 of the Fernley Republican Women and continue to be active with the club. I am also an associate member of 6 other Republican women's clubs as I believe it is critical we support each other. In January, I began serving my two-year term as Treasurer of the Nevada Federation of Republican Women.

In February, I talked my way onto the State GOP Finance Committee because there was no Republican woman on that committee. There is now! I am an ardent supporter of President Trump and will be honored to attend the GOP National Convention so that we can re-elect #45! Please vote for Lorrie Olson, Delegate at Large!

Rudy Pamintuan

Greetings, I am Rudy Pamintuan. Like most of you, I'm a Pro-Trump/Anti-Sisolak Republican. I started when I was young – having volunteered for "Teens for Reagan," and "Teens for Bush." I later interned for President George H.W. Bush and 10 years later was appointed by President George W. Bush to serve on his Administration. More recently, I served on President Donald J. Trump's Transition Team and currently volunteer for the Trump Administration on foreign policy and trade issues. Between my time serving and volunteering for Republican Administrations, I volunteer time assisting local campaigns for good Conservative candidates. With your support and as your

Republican National Convention National Delegate At-Large, I will carry out my duty with enthusiasm and hard work – making you proud and using the opportunity to not only ensure a Trump Re-Election Victory, but also work to bring attention and awareness to the need for Republicans to win Nevada Legislative seats. With a Trump Re-Election Victory and by picking up a few Legislative seats in Nevada this election cycle, we will have momentum to take on Governor Sisolak and his Majority in 2022. Nevada deserves better. I humbly ask for your vote, support and look forward to our collaboration in making sure Team Trump wins a second term and turn Nevada Red. Thank you for your consideration.

### Reinier "Antonio" Prijten

It was 40 years ago today that I wrote a letter to President Ronald Reagan from a remote village in my home country Holland (The Netherlands). As an 11-year-old boy I expressed my concerns about the rise of Communism in Europe and asked President Reagan for help. It marked the beginning of my American journey that brings me here today. Coming to America as an immigrant was not easy. I had to wait in line for nearly 20 years to get my beloved American Citizenship and along the way I struggled. My first day in America I was homeless. A family of 5 was sitting out on the street this midsummer night to escape the heat from their one-bedroom apartment and noticed me walking around with my suitcase. "You looked very scared" the mother said the next morning as she prepared me breakfast and offered me to stay longer. Today I am just an ordinary American citizen who lives pay check to pay check but I have a story to tell. I have lived life and made mistakes but what sets me apart is my intense and deep love for this country and the American people that brought me here by choice and legally at a very young age. Dear friends of the Nevada State Republican Party, I am seeking to become a National Delegate. That is the least I can do to thank America. I am asking for your vote. Antonio

### Eileen Rice

It has been my honor to have served as your State Credentials Chair and your Rural Caucus Secretary for several years. In addition I have attended three National Conventions. I am also a Representative to the State Party from Douglas County. I am

She is a member of the Nevada Republican Party for over 15 years and is a member of the Credential Committee, Solutions, and is the Treasurer of the Rural Caucus for over thirteen years. Thank you for your consideration.

*Dan Schwartz*

Dan completed his term as Nevada State Treasurer (2015-2019) last year and is currently a Republican candidate for the Congressional seat in CD 3. During his 4 years in office, Dan fought for the Nevada taxpayer and middle class by revamping the State's investment program, quintupling (5x) returns on the General Fund; was the first to question the \$1.2 billion commerce tax, the largest tax increase in Nevada history; successfully defeated a scheme to fund the Faraday Future project in North Las Vegas, sparing Nevada taxpayers \$175 million in defaulted bonds; and, led the charge on parental choice (ESAs), registering 10,000 students before the program fell to political bickering. He launched a College Savings Program aimed at creating a "culture of education" in the state; and, reduced the processing period in unclaimed property from 120 to 25 days. Dan grew up in suburban Chicago, and received his undergraduate degree from Princeton; J.D. from Boston University; and his MBA from Columbia. He enlisted in the United States Army during the Cold War and was stationed on a Pershing missile nuclear base in Europe. Dan has over 40 years' experience in the financial and publishing industries. An innovative entrepreneur, he turned around a struggling financial publication and founded the world's first digital media delivery platform for print publications. He is also a member of the Illinois bar. Dan is married, the father of two daughters, and resides with his wife, Yanan, in Las Vegas.

Elizabeth Tom

I have participated in community service organizations since high school in San Francisco. I was elected President for the University of California, Davis (UCD) chapter of Alpha Phi Omega (APO), National Collegiate Coeducational Service Fraternity. In 1998, I was elected to APO National Board of Directors and continued for 16 years, including 2 years as the Leadership Development Director. I have taught leadership seminars at college campuses across the United States, Puerto Rico and the Philippines. I moved to Elko in 1991 after completing a surgical residency at San Joaquin General Hospital in Stockton, California. I had previously received a Bachelor of Science degree in Biochemistry and Biophysics and Doctor of Medicine degree from UCD. Locally, I have served on the boards of the Great Basin College Nursing School, the Elko Branch of the American Association of University Women, the Great Basin Surgical Center and Ruby Mountain Hot Air Balloon Club. I was a founding member of the Elko Committee of the Friends of the NRA, continuing as co-chair for 10 years. I was elected President of the Elko Area Chamber of Commerce, and Chair of Cowboy

Country Territory (a volunteer marketing committee through the Nevada Commission on Tourism). I currently serve as President of the Board of Directors for the Northeastern Nevada Museum. My hobbies include hot air ballooning, hunting, scuba diving and photography. I have traveled to all seven continents. I would be proud to represent our state and party at the Republican National Convention.

Robert Tyree

Rob Tyree has been a dedicated grassroots activist involved with the Nevada GOP for more than 10 years. During that time, he has served in many roles within the Clark County Republican Party and the Nevada GOP. He served as a delegate to nominate President Trump in 2016, and would be honored to represent Nevada again in 2020.

Bonnie Weber

Hi, I'm Bonnie Weber and I would be honored to represent Nevada as a Delegate to the Republican National Convention. I have been a proud supporter of President Donald Trump since he announced his candidacy in 2015. I've been actively involved at all levels of the Republican Party since 1987. I have volunteered countless hours walking precincts, making phone calls, and licking envelopes to support Republican candidates at all levels. I have served as a delegate to Washoe County and Nevada Republican Conventions for more than 30 years, working behind the scenes to help organize the meetings. In 2002, my service supporting Republican principles evolved to serving in elective office as a Washoe County Commissioner. I was privileged to serve for 12 years. In 2018, I was elected to the Reno City Council. This newest experience has presented a daunting challenge as I am only one of two Republicans on the Council. I have gained a new perspective in how to work toward our common Republican goals when facing a Democrat majority. In this we have made significant progress by attracting bees with honey instead of vinegar. It is with experience that I would like to represent Nevada at the Republican National Convention. Most folks don't understand that national conventions demand work. If elected, I would be happy to help the State Party make sure that the Nevada Delegation has a great experience as we work to re-elect our President! I ask for your Vote.

Shana Weir

I served as general counsel to the Clark County Republican Party under two chairmen. I have also served as a special counsel to the Nevada State Republican party. As an early supporter of Donald Trump, I began to advise the Nevada Trump campaign on legal issues throughout the primary; and then into the general election. I worked election day operations to oversee and legally advise poll watchers; and I filed a lawsuit on election day on behalf of Donald J. Trump for President. I am a member of the Republican National Lawyers Association wherein I regularly attend conferences on policy and election law. After 15 years

of practicing law in Nevada, I recently opened my own firm wherein I engage in the practice of election law, estate planning and corporate transactions.

*John Ying*

John Ying is focused on getting Donald J. Trump re-elected as President, Michael R. Pence re-elected as Vice President, retaining the GOP majority in the Senate and regaining the majority in the House. He was an Underwriter of the 58<sup>th</sup> Presidential Inaugural Committee in 2017. John has served as Asia Finance Chairman and on the Republican National Finance Committee in 2012 and on the Finance Committees for Congressman Mark Amodei since 2012, for Senator Dean Heller in 2012 and 2018 and for Attorney General Adam Laxalt in 2018. He has enthusiastically supported Danny Tarkanian in 2016 and 2018. Additionally, John has focused on broadening the base of the party as Chairman of the Asian Republican Coalition. In business, John is the founder and Managing Director of Peak Capital, a private investment firm, and a Director of Tai Ping Carpets International, a publicly-listed global luxury carpet company. Previously, he served as a Managing Director of Arctic Capital, a Managing Director—Asia of The Carlyle Group and a Director of Merrill Lynch & Co. John received an M.B.A. in Finance from The Wharton School, an M.A. in International Studies from the University of Pennsylvania and a B.S. in Electrical Engineering from the Massachusetts Institute of Technology. He is the Chairman Emeritus of The Hong Kong Ballet and Director Emeritus of the Graduate Executive Board of The Wharton School. John has been married to his wife, Lisa, for 27 years. They have two children and have been at Lake Tahoe since 2003.
