My email address is [REDACTED]

I have been a resident for 56 years, and I hearby state the following:

I am currently employed as a Highway Contractor for the United States Postal Service working out of the [REDACTED].

For context, this is how my daily routine would go. Each day after sorting my mail, Before I leave on my route, I take the undeliverable mail to its perspective location for redistribution. There is a slot for each of the catagories at my Post Office.

For instance:

AKA: Addressee unknown

UTF: Unable to Forward

F: FORWARD/ CHANGE OF ADDRESS(this service is good for 1 Year)

DEC: Deceased

When the ballots came out for delivery, I had a ballot addressed to a woman that had passed away more than a year ago. Her son had put in a FORWARD/CHANGE OF ADDRESS for her mail to be sent to him in California. I marked the ballot "deceased" and I then mentioned to the my Supervisor, [REDACTED] that there was a FORWARD/CHANGE OF ADDRESS in place but the woman was "deceased" and I was putting her ballot in the "deceased" slot. [REDACTED] instructed me to follow USPS policy and treat THE BALLOT as regular first class mail and put the ballot in the FORWARD slot, to be forwarded to the son in California.

I hearby delare, under penalty of perjury under the law of the State of Nevada, that the foregoing statements by me are true and correct. I understand that these statements may be used in a lawsuit regarding the 2020 General Election, and I am willing and able to testify to the same as needed.
